11. Recycling

Recycle Ann Arbor's contract is coming up for renewal on July 1, 2025. Godek has done some research into other options for the Township to offer recycling services to the Township residents due to potential disbanding of Recycle Ann Arbor by the City of Ann Arbor. Godek found that Western Washtenaw Recycling Authority (WWRA) is willing to bring a bin to the Township Hall for residents to drop off their recycling products. WWRA would then pick it up the bin every week or as needed when the bins were full for a \$300 per pick up. A pad would need to be installed for the bins that WWRA would bring. Smith has requested quotes for installing that pad. If WWRA picks up the bin every week, the cost would be comparable to continuing to use Recycle Ann Arbor minus the cost of installing the pad, but would likely be more convenient for residents.

Foley moved to move forward with Western Washtenaw Recycling Authority for at least 3 months and approve spending up to \$5,500 for installation for the pad for the bins brought by Western Washtenaw Recycling. Second by Marsh. A roll call vote was taken. Smith=aye, Godek=aye, Marsh=aye, Blackburn=aye, Matelski=aye, Rentschler=aye, Foley=aye. Motion carried, 7-0.

To: Lodi Township Board of Trustees RE: Enforcement of Ethics Policy

Date: 6/19/25 From: Jesse O'Jack

The Board delayed the discussion of Section 3.4 Enforcement. Based on the comments I heard at the meeting including wanting the policy to be positive, but perhaps still setting forth the possible consequences, I thought I would suggest the following compromise that alters 3.4 from a punishment section (leaving that to the state for serious violations) and changing it to more of a corrective section.

- 3.3 Reporting Violations rename to "Reporting Suspected Violations" which matches the first bullet point.
- 3.4 Enforcement rename to "Actions Taken in Response to a Violation

Bullet point one: Upon a finding that a violation has occurred, the Board after discussion will take such action as it believes necessary to ensure that the goals of the Lodi Township Ethics Policy are better achieved.
