

LODI TOWNSHIP

Planning Commission Data Center Sub committee
Thursday, July 23, 2026, at 9:00 am

Lodi Township Hall
3755 Pleasant Lake Road
Ann Arbor, Michigan 48103

Attendance:

Tammy Froberg – absent
Jens – Christian Meiners – present
Cindy Strader – present

Other Attendees:

Attorney – Jesse O'Jack
Planner – Hannah Firlit – absent
Supervisor – Jacob Schaible

Meeting start time: 9:00 am

Meeting end time: 10:08 am

Topics of Discussion

- Extension of Moratorium for High Demand Facilities (including Data Centers, Power Generating Facilities etc..) to finish drafting Ordinances.
- Planner emailed information this morning – to be reviewed by committee. Chris also emailed sample ordinances from Pittsfield and Scio Townships. Lodi Ordinance should be specific as possible and hold high standards for compliance.
- Need overall map of existing energy resources (power, gas/oil, data etc.) from Hannah.
- Master Plan updates should include information on High Demand Facilities – potentially how they will be sited.
- Timeline for getting draft language ready for the Board of Trustees meeting 8/11/26.

Action Items

- Chris to provide Jesse (via Christina) definitions of High Demand Facilities to Jesse by today (7/23/26), to be included in Draft Moratorium Extension Ordinance language.
- Jesse to provide this Draft to the Committee members (via Christina) by 7/27-7/28/26.
- Committee members to review the draft Moratorium Ordinance, all prior meeting minutes, charts, Hannah's draft ordinance language and provide comments (via Christina) by Tuesday 8/4. Christina to forward to Jesse for final modifications of Moratorium language which will be put into BOT packets for the 8/11/26 BOT meeting.
- Goal is to hold Public Hearing by PC on the draft ordinance no later than the October PC meeting.
- Next Sub Committee Meeting is proposed for **Thursday 8/20/29, 9:00 AM** at the Lodi Township Hall. Christina to check on member/planner/atty availability.

Respectfully Submitted,

Cindy Strader, Sub Committee member
